Thank You for Being a Valued LegalShield & IDShield Member

I wanted to let you know that I have received notification that your membership is pending cancellation and wanted to ensure you were aware that your LegalShield/IDShield membership is completely portable at the same group rate. In addition, your legal plan has accumulated benefits that could be worth thousands of dollars that I'm sure you would like to retain. See below for details!

Accumulated Benefits

TRIAL DEFENSE: For the first five (5) years of your membership, you accumulate 60 hours of combined pre-trial and trial totaling hours (see chart below for easy reference). The Trial Defense benefit provides representation if you or your spouse are named a defendant/respondent in a covered civil action. With typical attorneys' fees averaging \$300 per hour, your accumulated trial hours are extremely valuable. Additionally, when you maintain your membership for 5 years or more, you will always maintain the maximum 300 hours. For example, say in year seven, you use 250 hours; in year eight, you're back to 300 combined hours. And with a Legal Plan Trial Defense Supplement, you can add even more hours. Please feel free to contact me to learn more.

Use the chart below to see how many pre-trial and trial defense hours you have accumulated, then simply multiple those hours by the average attorney rate of \$300/hr to calculate your real savings!

TRIAL DEFENSE HOURS

Year	Pre-Trial Time	Trial Time	Total
1	2.5	57.5	60
2	3	117	120
3	3.5	176.5	180
4	4	236	240
5	4.5	295.5	300

IRS AUDIT ASSISTANCE: Additionally, you have also accumulated IRS Audit Assistance hours. You receive 50 hours of IRS Audit Assistance for each tax year that you have maintained your membership.
