## THE DETAILS:

- Organizational premium requirements may come from any combination of personal and organizational sales.
- Personal premium includes only personal sales.
- New associates must sign in/out when attending a live 3-hour Fast Start Training class within their first 45 days.
- If there is no Fast Start Training class within 50 miles of your home within your first 45 days, you may request to take the virtual class. This option is also available for associates who meet certain criteria (such as a medical condition) for not being able to attend a live class. Other associates must attend a live class. The request form can be found at [LSEngage.com](http://LSEngage.com). To download from [LSEngage.com](http://LSEngage.com), go to Resources > New Associate - Getting Started.
- Recruiting associate must have a previous month end personal or organizational Performance Club retention rate of 77% or higher to receive full matching bonus. A Performance Club retention rate of 65-76.99% will pay 75% of bonus amounts stated.
- Associates are not required to Fast Start qualify to earn the Manager bonus; either or both bonuses may be earned.
- Initial \$200 Fast Start Manager bonus will be held 7 business days once earned to verify banking information is correct.
- Remaining \$300 Fast Start Training Manager bonus will be paid via commission adjustment on the month following qualification and will be impacted by any advanced recovery.
- The matching bonus is paid to the recruiting associate, which is defined as the placing associate, if applicable, or immediate sponsor if not placed.
- Associates that advance to Manager but do not attend a Fast Start Training Class will earn \$200 bonus with \$200 matching bonus to recruiting associate.
- Fast Start to Manager requires 3 Associate legs + \$400 organizational premium or \$400 personal premium.
- Prepaid cards are no longer accepted as a form of payment as of January 1, 2020
