## THE DETAILS:

- New associates must sign in/out when they attend a live 3-hour Fast Start class within their first 45 days.
- If there is no Fast Start Training class within 50 miles of your home within your first 45 days, you may request to take the virtual class. This option is also available for associates who meet certain criteria (such as a medical condition) for not being able to attend a live class. Other associates must attend a live class. The request form can be found at LSEngage.com. To download, go to Resources > New Associate – Getting Started > Fast Start Online Guidelines.
- Recruiting associates must have a previous month end personal or organizational Performance Club retention rate of 77% or higher to receive full matching bonus. A Performance Club retention rate of 65-76.99% will pay 75% of bonus amounts stated.
- All bonuses will be held for 7 business days once earned to verify that all banking information is correct.
- Bonuses will be paid via commission adjustment and will be impacted by any advance recovery.
- The matching bonus is paid to the recruiting associate, which is defined as the placing associate, if applicable, or immediate sponsor if not placed.
- Associates that Fast \$start qualify but do not attend a Fast Start training class will earn a \$100 bonus with \$100 matching bonus to the recruiting associate
- Prepaid cards are no longer accepted as a form of payment as of January 1, 2020.
