HOW TO START YOUR BUSINESS ONLINE AS A LEGALSHIELD ASSOCIATE

Now that you've signed up as an Associate and your sponsor has placed you on their team, you can access the various tools LegalShield has to offer and start your business. To log in to the following resources and applications listed below, you must use the login and password created during your online registration*.

We highly recommend online registration but if you registered in a paper form instead, or if you are a reinstated Associate, then you will receive an email from LegalShield, 24-48 hours after your submitted registration has been received (paper form may take time to reach us). This email will contain your Associate number and a personal identification number which will allow you to create your login and password* by following these steps:

- 01** Go to the [LS Engage.com](https://LS-Engage.com) web page and click CREATE AN ACCOUNT
- 02** Once logged in, you will need to activate your *LegalShield Advantage* subscription for which you are entitled to one month free. To do so, you must:
 - a.** Update your payment information by clicking on the [your account](#) link in the *Business Links* section of the [LS Engage.com](https://LS-Engage.com) website
 - b.** Then click on 'activate LegalShield Advantage'

How to place a new Associate on your team

Log into your [LS Engage.com](https://LS-Engage.com) web portal and via the [Placement Utility](#) link in the *Business Links* section, click 'Change' to change the setting from AUTOMATIC to MANUAL. Then click on the name of the new Associate you want to place. Finally, place the Associate in your organization.

*The Associate ID and password are not the same as your LegalShield plan subscriptions. If you did not get your login and password done at time of registering, you will need a four-digit PIN number you can get by contacting Associate Services.
