Select the plan that's right for you.

IDShield Individual:
For you only

IDShield Family:
For you, your spouse/domestic partner and covered dependent children

IDShield is a product of Pre-Paid Legal Services, Inc. ("PPLSI") and provides access to identity theft protection and restoration services. IDShield plans are available at individual or family rates. A family plan covers the named member, the named member's spouse or domestic partner and eligible dependent children. Consultation and restoration services are available for eligible dependent children ages 18 to 26 who permanently reside in the same residence as the named member. All Licensed Private Investigators are licensed in the state of Oklahoma. An Identity Fraud Protection Plan ("Plan") is issued through a nationally recognized carrier. PPLSI is not an insurance carrier. This covers certain fraud expenses and legal costs as a result of a covered identity fraud event. See a Plan for complete terms, coverage, conditions, limitations, and family members who are eligible under the Plan.

IDShield

IDShield

Your privacy is your business.

Protecting it is ours.

IDShield

You do a lot online, including surfing, streaming, socializing, shopping, and much more. Most of us don't want to think about it, but the reality is that your private data and reputation can be stolen with a just few simple keystrokes.

IDShield, your overall solution to identity protection, monitoring and restoration, now brings you enhanced privacy and reputation management consultation.

Privacy Management
Rather than leaving security up to chance, you can proactively arm yourself against cybercrimes and reputation hijacking. Our identity theft specialists can consult you on best practices to ensure that your private information remains private.

Trend Micro Maximum Security
The cloud-based AI technology that delivers highly effective and proactive protection against ever-evolving malware infections.

VPN Proxy One
Turn a public hotspot into a secure Wi-Fi via Virtual Private Network (VPN) with bank-grade data encryption to keep your information protected from hackers.

Identity Consultation Services
Receive consultation on any identity-related issue.

Proprietary Feature

Username/Password (Credentials) Monitoring
Monitors the Internet, dark web and deep web for exposed credentials (a username paired with a password). You will receive an identity threat alert if your credentials are found online, giving you the opportunity to review your compromised credentials so that you can update your login information across all of your accounts that use the exposed username and password combination.

Password Manager
Get multiple device protection and privacy for your digital life.

- Helps block dangerous websites
- Manages and encrypts passwords
- Saves time
- Identify and change weak passwords
- Gives you control
- Creates unique, tough to hack passwords

Auto Monitoring
Receive auto monitoring services after providing your First and Last Name, Date of Birth, Address, and full SSN or last 4 SSN.

Full-Service Restoration
Provides one-on-one consultation to resolve identity related issues.

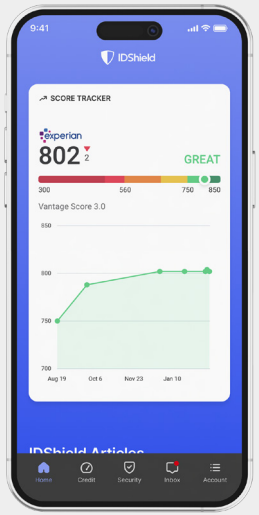

Unlimited Service Guarantee
We'll do whatever it takes for as long as it takes to restore your identity to it's pre-theft status.

Identity Fraud Protection Plan
IDShield offers a $3 Million Identity Fraud Protection Plan with 1B and 3B IDShield Plans. This covers certain identity fraud expenses and legal costs as a result of a covered identity fraud event.

Stay connected. Stay protected.
